PROFILE

Third-year MEng Software Engineering student at Heriot-Watt University with a strong interest in data science and machine learning. Built a computer vision Sudoku solver in Python and PyTorch, with A grades in Data Structures and Algorithms, Programming Languages and Logic and Proof, and a predicted A in Artificial Intelligence and Intelligent Agents. Strong team player, having coordinated colleagues as a duty supervisor during busy, high-volume service. Seeking an internship to apply my technical and teamwork skills to real-world data problems.

EDUCATION

Heriot-Watt University — Master of Engineering in Software Engineering: Graduating 2029

Relevant modules

Artificial Intelligence and Intelligent Agents (predicted)	**A**	Data Structures and Algorithms	**A**
Logic and Proof	**A**	Programming Languages	**A**

Firrhill High School: 2017 - 2023

Advanced Higher: Computing	**A**	Advanced Higher: Mathematics	**A**
Advanced Higher: Mathematics of Mechanics	**A**	Advanced Higher: Physics	**B**

TECHNICAL SKILLS

Languages	Python, Java, C, C#, JavaScript, HTML, CSS, SQL
Data analysis	Pandas, Matplotlib
RDBMS	PostgreSQL, MySQL
Web	React, Node.js
Cloud and tools	AWS, Unity

PROJECTS

Sudoku solver — Python, PyTorch, Pandas, Tkinter

- Built an application which uses computer vision to identify a sudoku and solve it.
- Uses a backtracking with forward checking algorithm, and a digit classifier for the identification and solving algorithm.

Portfolio website — React, JavaScript, AWS

- Designed and built a multi-page personal portfolio with a project carousel, light and dark themes and a responsive layout.
- Uses AWS EC2 instance to host with a custom domain and an Elastic IP.

WORK EXPERIENCE

Bartender — The Botanist, Edinburgh

Aug 2025 – Oct 2026

- Prepared and served drinks in a busy venue, taking orders and handling payments accurately.
- Worked as part of a team through high-volume service alongside my degree.

Cafe Assistant and Duty Supervisor — Dynamic Earth, Edinburgh

Aug 2023 – Nov 2025

- Took responsibility for running cafe shifts as duty supervisor, supporting and coordinating colleagues.
- Served visitors at a busy Edinburgh attraction, maintaining a high standard of customer service.

ADDITIONAL

Learning	Completed Udemy courses and Kaggle Learn courses to build programming and data skills.
Interests	Climbing, skiing and walking.
